I. REFERENCE(S):

29 CFR Part 37, Implementation of the Nondiscrimination and Equal Opportunity Provisions of the Workforce Investment Act of 1998, specifically 29 CFR 37.54 (d)(2)(vii).

II. PURPOSE:

This Policy Guidance Letter (PGL):

Transmits information regarding the established Department of Labor and Employment=s procedures for effecting corrective actions and applying sanctions, if needed, to ensure that resolution of any non-compliance of the Nondiscrimination and Equal Opportunity Provisions of the Workforce Investment Act of 1998 can be enforced.

III. BACKGROUND:

Any recipient who fails to comply with regulations and provisions as described in 29 CFR 37 is subject to corrective and remedial actions designed to completely correct each violation. This action is necessary when a violation of the nondiscrimination and equal opportunity provisions of WIA is identified as a result of a discrimination complaint, a monitoring review, or both. Violations may range in seriousness from a technical violation to discrimination. Technical

violations may include failure to include required language in assurances, failure to post EO notices, etc. Discrimination violations include findings of disparate treatment, disparate impact and failure to provide reasonable accommodations.

IV. POLICY/ACTION:

Corrective actions are designed to end the discrimination and/or redress the specific violation(s).

Non-compliance Practices/Policies:

- A. Policies or procedures which discriminate, or have the effect of excluding identifiable groups of individuals or denying the administration of benefits, participation in, employment, or other activities in connection with the Workforce Investment Act of 1998.
- B. Programs, activities, or services that are inaccessible to disabled or limited English-speaking individuals.
- C. Non-existent, incomplete, or inadequate accessibility assessment tool on file as required by Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.
- D. Policies, practices, or procedures which are not in compliance with Section 188 of the Workforce Investment Act of 1998, 29 CFR Part 37, or other civil rights legislation.
- E. Non-existence of a staff analysis by race, sex, and age.
- F. Lack of implementation of procedure for resolving complaints alleging a violation of the WIA, or relating to terms and conditions of employment.
- G. Lack of due process, protection of confidentiality, and fairness in the resolution of complaints as provided for under CFR Part 37.
- H. Complaint procedures that are not in compliance with 29 CFR Part 37.
- I. Failure to comply with equal opportunity directives issued by the Governor's liaison or the State EO Officer, as his designee, and with applicable laws and regulations.

Technical Violations: provisions will be allowed to correct the specific violation identified, i.e., if the violation is failing to post the required notice, the corrective action to be taken would include ensuring the notice is posted in the future. Where appropriate, the corrective action may also include educating individuals responsible for implementing this requirement.

Discrimination Violations: provisions will include making whole relief, to include where appropriate: retroactive relief (e.g., back pay, front pay, retroactive benefits, training, any service discriminatorily denied, etc.) or prospective relief (e.g., change of policy, training, development of new policy, training on policy communication).

Sanctions

When voluntary compliance to correct a violation cannot be achieved, imposition of sanctions will be considered for the non-complying recipient.
